Council considered planting red poppies to mark the centenary and agreed to ask Mr Leaworthy of MCC to attend a future Council meeting to advise on this and discuss general grass cutting issues.

FINANCE

There was no change to the 2014/15 Precept; it was agreed at £40,000. It was also agreed that the increased cost of dog bin emptying and further maintenance to the toilets be funded from reserves. The cost of the burdensome FOI requests was considered – agreed that we use our reserves for this year but that this will not be sustainable over an extended period.

Council considered and agreed a financial request from Caerwent Historic Trust regarding the purchase of a bookcase to house the Historic Trust collection.
