

# CAERWENT HISTORIC TRUST

June 2002

Dear Friends,

A collection of items from our Library will be on show in Caerwent Parish Church during the Jubilee Flower Festival.

For the first time the public will have chances to hear what the different buildings of the Dinham Factory were for - this is offered by Don Waring in his walks Saturday morning and Sunday afternoon of the weekend.

The "Caerwent Scrapbook" was a prize-winning local history project put together in the 1950s by Les Bulley, Gordon Evans and their colleagues in our predecessor the Caerwent Local History Group. Only three copies have existed until now but on the Jubilee weekend we shall have photocopies of the book on sale at £10.

Best wishes

John Nettleship

Secretary, Telephone 01291-420745
