
CÆR WENT HISTORIC TRVST

November 2001

Dear Friends,

Our walk to the Llanmelin Hill Fort as part of the Roman Weekend was well attended and we were pleased to find that CADW have put in a lot of work there recently making it a nice place to visit.

Our Annual General Meeting will be on Monday 19th November in the committee room of the Playing Fields Hall at 8.00pm.

The agenda will include a minor amendment to our constitution and a decision on how to make available our library collection, which now stands at 45 items.

There will of course be progress reports on what we have been up to in our first year.

If you want a copy of the agenda in advance contact me.

Best wishes
