

CAERWENT COMMUNITY COUNCIL

The issue of sewage spillage at the triangle field opposite Eastgate Crescent and on the Burton Homes Road was brought to the attention of the Council and has been raised with Barratts and Welsh Water.

Police Report - PcsO Norville reported a quiet month crime wise. He is visiting vulnerable residents and handing out "No Callers Please – Enjoy Your Evening" posters re Halloween. He will be visiting the Post Office regarding the sale of eggs and flour to children/teenagers. He requested that we let him know if we become aware of any events planned for 5th November. The Clerk advised him of the Remembrance Day Service arrangements on 10th November - the public service will be held following the church service on 10th November 2013 at 10.45am at the Cenotaph, Caerwent.

Other points of interest –

- The 'Time Team' Field - Council considered future management plans and preparation for Section 106 funding. It was agreed that a Working Group be set up to take this forward. Concerns about the costs of archaeology were raised and the Chairman advised that the Historic Trust had previously been contacted by the University of Leicester who were prepared to fund any archaeology undertaken, so we do not have to consider costs. This would entail using Operation Nightingale (disabled servicemen). This and other suggestions, ie Jardin de Ville, will be discussed at the Working Group meeting.
- The Monmouthshire Bus Guide – this will not be produced this year. A reduction in the level of money to fund bus services has led to an unprecedented number of changes being made to the bus services. The number of changes to the timetables are such that the guide will quickly become out of date and reprinting is not viable. Timetables are available at <http://www.monmouthshire.gov.uk/home/streets-parking-and-transport/transport-and-travel/bus-services/bus-timetables>

and residents and visitors can request timetables by visiting any One Stop Shop or Tourist Information Centre, who will then 'download & print' their requested timetable(s) from the Monmouthshire County Council website.

- Council noted that Monmouthshire County Council has agreed to work with architects Mountford Pigott to create a design for a planning application to make improvements to the area between the proposed new Asda store on Woodstock Way and Newport Road. They will be consulting with the Caldicot community.
