
CÆR WENT HISTORIC TRVST

January 2002

Dear Friends,

The AGM was duly held in November and the Trustees were re-elected, namely Peter Bonvoisin, Jennifer Powell, Mark Lewis, Derrick Williams and myself.

Our first year was one of steady progress. Please pay subscriptions for 2002, £2 per household or £1 for an individual, to any Trustee by April.

One of our main aims is to take a minor share in the former school, assuming that CADW go ahead and refurbish it as a Museum or Visitor Centre.

Unfortunately the funding of these things is in the melting pot: if some enterprise, private or public, could be established in part of the building on a medium to long term basis, this would be a great help - anyone interested please contact me.

Best wishes
