

## CAERWENT COMMUNITY COUNCIL

### Planning applications considered in October

2014/01048 Rock Cottage, Caerwent  
Extension to Build Sunroom  
This Council recommends **Approval**

2014/00657 Pound Cottage, Pound Lane, Caerwent  
Replace conservatory with two storey timber framed extension off existing dwarf walls and new rear porch.  
This Council recommends **Approval**  
Roof lights change the character of the building.

### Other points of interest

Mr Joy, Street Lighting Manager, Mon CC attended and advised that street lights had been dimmed from 8.00 pm, switched off at midnight and put back on at 5.00 am in Abergavenny, Monmouth, Chepstow, Usk and Little Mill. There had been a small number of complaints but overall the new scheme appeared to be successful.

The areas of Caldicot/Magor/Undy/Rogiet/Caerwent will probably be switched to this scheme in the next financial year. If the Council feel that any particular lights should stay on he will look into it. We will receive approximately two weeks notice of this. MCC hope to make a saving of £120-140,000 per annum within the authority.

Mr Joy was asked if any lighting could be provided at the west entrance into Caerwent off the A48 and also at Trewen. He stated that this was not possible due to the very high costs involved.

**Reminder of the Remembrance Day Service** on Sunday 9<sup>th</sup> November at the Cenotaph at 10.45 am, followed by a Community Commemoration Service 'The Great War Remembered' at Caerwent Church at 7 pm.
